**Summer School**

The school district may conduct a summer school program to provide additional educational opportunities for students who need remedial instruction and/or to enrich students' educational experiences. Students may earn credit toward high school graduation that may result in a revision of class placement in the high school, but such advance placement is not guaranteed.

Students who takes classes for credit recovery in the summer must pay for the class and all other expenses that the district may incur.

Classes taken with tuition charged are a privilege to students. Students who do not receive a grade of "C" or higher must reimburse the school for the tuition, books and any associated fees. (5/12/08)
